Vision and Context of FondSi

The Foundation of the Senegalese Diaspora in Italy (FondSi) emerges as a structured response to the challenges faced by the Senegalese community residing in Italy. Born from in-depth discussions held during the diaspora congress, this initiative aims to build a collective force.

FondSi embodies a vision where solidarity is not just a moral concept, but an operational lever for development. By uniting skills and resources, the foundation aspires to create an ecosystem of mutual aid and social progress.

"Active Solidarity: Improving living conditions through mutual aid and collective development."

Mission and Strategic Objectives

As a non-profit organization, FondSi's mission is to promote civic and solidarity actions for social utility. Its action is structured around three fundamental pillars:

Inclusion	Development	Cooperation
Social Guarantee access to fundamental rights and basic services for all diaspora members.	Community Stimulate economic autonomy and professional skill enhancement for members.	International Strengthen institutional and economic ties between Italy and Senegal.

Social Services, Health, and Education

Social

Community development relies on strong foundations in **social protection** and access to knowledge.

FondSi intervenes to combat social isolation through personalized support systems and community-based guidance.

Health

The foundation facilitates access to health services through **strategic partnerships** with local structures.

Awareness campaigns and administrative support are activated to ensure the well-being of all diaspora members.

Education

Education is the main driver of integration. We implement targeted **vocational training** programs.

Italian language courses and university guidance services enable each individual to realize their full potential.

Culture, Research, and Arts

Identity and Heritage

The preservation of cultural identity is essential for successful integration. FondSi is committed to promoting Senegalese heritage through the organization of artistic events, fairs, and workshops dedicated to crafts, music, and literature.

These initiatives aim to strengthen social ties and promote cultural diversity within Italian society, thereby creating a permanent intercultural dialogue.

Innovation and Research

The foundation actively supports social scientific research. By collaborating with universities and research centers, it produces rigorous analyses of specific diaspora issues.

This data-driven approach allows for the development of innovative solutions adapted to local realities, ensuring the effectiveness of the foundation's interventions.

"Preserving our roots to better build our common future."

Tourism, Cooperation, and Employment

FondSi acts as a strategic bridge between Italy and Senegal, promoting responsible tourism and intercultural exchanges that strengthen fraternal ties between the two peoples.

Development Cooperation

Implementation of concrete bilateral projects in the vital sectors of agriculture, health, environment, microfinance, and training for a lasting impact..

Professional Integration

Dedicated programs for entry into the Italian labor market, facilitating access to employment for diaspora members.

Heritage, Entrepreneurship, and Digital

Innovation is at the heart of FondSi's strategy. The foundation invests in the requalification of unused public heritage to transform it into training centers or community living spaces, revitalizing territories while offering essential services to the diaspora.

Sector	Key Initiative
Entrepreneurship	Mentoring programs and strategic financial support for the creation and development of sustainable and profitable cooperatives.
Digital	Development of advanced NTIC platforms and mobile applications to foster digital inclusion and modernize community communication.
Infrastructure	Transformation of abandoned urban spaces into multipurpose reception centers, training hubs, and community meeting places.
